CONTRACEPTION DANGER

Did you know the ordinary pill and IUD can cause the death of an unborn child? Within 5 days of conception, contraceptives prevent a fetus from attaching to the mother's womb. The mother loses her child and she didn't even know she was pregnant.

Lights for the Church

Most can't afford to buy a church light in memory of a family member. But God does not exclude anyone, just as He was more pleased with the widow who gave what little she had to the temple, so anyone can give whatever they are able for the lights. If you want to give, just put a note with your donation in an envelope, with the name of the family member its for and write on the outside of the envelope "LIGHTS". The Lord will look with great love upon your request.

“What Gifts Do I Share?”

Acts 2:14, 22-33, 1 Peter 1:17-21, Luke 24:13-35

As one of the Apostles, Peter enjoyed a relationship with Jesus that very few men can claim. Yet his understanding of who Jesus is and why he came to earth was not complete until after Jesus' resurrection. When Peter finally understood the mission of Christ, he had the courage to tell everyone he encountered and he shared the gift of his relationship with Jesus and his understanding of the Kingdom of God. As we listen to the familiar stories of the resurrection and the awakening of the Apostles' understanding, we can also be open to the Holy Spirit as our own knowledge deepens. May the Spirit bring light to our darkness.
