CONTRACEPTION DANGER

Did you know the ordinary pill and IUD can cause the death of an unborn child? Within 5 days of conception, contraceptives prevent a fetus from attaching to the mother's womb. The mother loses her child and she didn't even know she was pregnant.

STEWARDSHIP

When a new pastor arrives in a parish, he see things that later becomes routine, but for a short time, his vision is new. When Bishop Jackels came to our diocese, a diocese known throughout the United States (even in Lincoln, Nebraska) as "the Stewardship diocese," Bishop Jackels asked the question: "What is stewardship?" The question shot forth like the catch phrase of 1984 from Clara Peller, "Where's the beef?"

Stammering, we responded: "Well it is...., well it's like this, ahhhh...well" We "knew" stewardship because we were living it and practicing it daily, but articulating a definition of the obvious was like trying to explain why water is wet. It just is!

Bishop Jackels went to Mr. Loughman, director of stewardship, and the diocesan stewardship council with his question. He asked for a succinct, memorable, and teachable definition. (Remember Bs. Jackels is from Nebraska where a simple and succinct "N" is all that is necessary on their football helmets to remember they are playing for Nebraska)

Have you ever been on a committee to form a mission statement? It is like gathering a farmer, a yuppie, and a priest to a barbeque all sitting down to eat. The farmer is wondering whose farm the pork came from; the yuppie wonders how much cholesterol is in the ham; and the priest is wondering if this was the ham left over from last week's funeral dinner. Point being, committees gather people who look at the same thing very differently.

And so a committee came together. With much talk, prayer, discernment (fancy word for talk), discussion, writing, and more talking (discernment), a response was delivered to Bishop Jackels and to the diocese as to how we defined stewardship.

Back to our scene. A priest, lay man, soon to be a bishop gather before Bishop Jackels and presented him the following definition:

Stewardship is the grateful response of a Christian disciple who recognizes and receives God's gifts and shares these gifts in love of God and neighbor.

St. Michael the Archangel, pray for us!

Christian tradition gives to St. Michael four offices: (1) To fight against Satan. (2) To rescue the souls of the faithful from the power of the devil, especially at the hour of death. (3) To be the champion of God's people, the Jews in the Old Law, the Christians in the New Testament; therefore he was the patron of the Church, and of the order of knights during the Middle Ages. (4) To call away from earth and bring men's souls to judgment.
