## Stain Glass Window Repair

This week Hoefer Stain Glass Window of Hutchinson finished the repairs on the stain glass windows. When you come inside the church or leave the church, look at the window above the door and the rose window. Glass now covers the windows to enhance the beauty of the windows, the frame was painted and the windows were sealed from the weather. They are beautiful! Thanks to your tithing, this was made possible.

*"The Joy of the Gospel: Faith Working Through Love"*

I am the vine, you are the branches! As Christians our journey in this life is a search for the Kingdom of God, where Jesus our Savior reigns. The closer our search leads us to the truth which is Christ, the more we become stewards of the gifts we receive from God. Faith in God leads us to love him and desire to serve him by sharing his love with our fellow man. Our efforts are fruitful if we remain connected to the vine, Jesus. This life of love we acknowledge as the Stewardship Way of Life, since we lovingly and responsibly share everything we receive from the Father. May the love of God flow into us through Jesus the Vine.
