

SUPER, SUPER, SUPER

Super Bowl Sunday Lasagna, that is!!!

It's not too early to begin planning for Super Bowl Sunday!!!

Now you will be able to enjoy the delicious signature Lasagna you have enjoyed or heard about for 25 years at the Altar Society La Dolce Vita Italian Dinner.

The Altar Society is excited to announce our new fund raiser which will focus on your Super Bowl activities, but also is the perfect answer for a special romantic Valentine Dinner or family gathering.

Your own pan of our "same recipe" famous lasagna can be pre-ordered to be picked up on a designated day prior to Super Bowl Sunday. Dates and details will be announced later.

Being a fund raiser it is so important to keep costs at a minimum. We will, as always, be appreciative of your donations toward food expenses.

As we are still in the planning stage, we want to hear your thoughts and ideas and have you involved in this new, exciting, fun, and easy project. So you guys and CYM members, brainstorm with us to make this a Super success.

The next Altar Society meeting is our Hobo Dinner on Nov. 11. Ladies, please join us for a fun evening of dinner, bingo and planning of Super Bowl Signature Lasagna.
