Did you know the ordinary pill and IUD can cause the death of an unborn child? Within 5 days of conception, contraceptives prevent a fetus from attaching to the mother's womb. The mother loses her child and she didn't even know she was pregnant.

A BRIGHT NEW IDEA! After Easter, the Altar Flowers will be provided by individual parishioners that volunteer for a week at a time. There will be a sign-up sheet in the church entry. Bases will be provided in the sacristy (to our right of the Altar and the flowers can be contributed in memory of a loved one or in honor of someone like a birthday, anniversary, Mother's Day, etc. This Also, a note will be put in the bulletin weekly to inform who the flowers are donated by or in honor of.

This idea is new to us but it has been used in other churches with great success! The Altar Society will provide us more details throughout the Lenten Season.
