Note: The alleged apparitions at Medjugorje are neither approved by the Church nor condemned by the Church. The Church is currently investigating. We may believe in them, until the Church makes a definitive statement as Pope Urban VIII stated: *"In cases which concern private revelations, it is better to believe than not to believe, for, if you believe, and it is proven true, you will be happy that you have believed, because our Holy Mother asked it. If you believe, and it should be proven false, you will receive all blessings as if it had been true, because you believed it to be true."*

CATHOLICS ARE PRO-LIFE CONTRACEPTION DANGER

Did you know the ordinary pill and IUD can cause the death of an unborn child?

Within 5 days of conception, contraceptives prevent a fetus from attaching to the mother's womb. The mother loses her child and she didn't even know she was pregnant.
