CONTRACEPTION DANGER**

Did you know the ordinary pill and IUD can cause the death of an unborn child? Within 5 days of conception, contraceptives prevent a fetus from attaching to the mother's womb. The mother loses her child and she didn't even know she was pregnant.

"The Joy of the Gospel: Faith Working Through Love"

Do not be afraid, just have faith! Our favorite Gospel stories are of Jesus performing miracles. We hear today how the woman who simply touched his cloak was healed and also how he brought a little girl back from death to life. Jesus' love for people led them to believe in him and their faith enabled him to exercise his healing power. Jesus' message to us is that we need to have faith so that during the calamities of life we have a friend to carry us through. May God's abundant grace nurture our faith and develop in each of us a share in his life.
