

Father Kline and The Members of  
Sacred Heart Church,

I would like to thank you all for helping me get the van and wheelchair lift for my 10 year old daughter Taisha.

Taisha is a very special girl with medical conditions which require her to have a very heavy electric wheelchair to get around. She is unable to walk, but is always so positive and loving. She touches the hearts of everyone she meets. Before you helped us we had no way of transporting her wheelchair, which meant I had to carry her everywhere she went. She had no independence, and couldn't go play with her brothers and sister.

I would like to thank you from the bottom of my heart. She has had a smile on her face since the day we brought the van home. She now has her independence and her "legs." Words cannot express how thankful I am.

Thank you and God Bless!

Sacred Heart Church donated \$500 from His Caring Heart Fund to help the family in the purchase of the van with the special wheelchair lift for Taisha.

SACRED  
HEART,  
THANK YOU  
FOR MY  
VAN.
