

Confirmation March 2019

Catechist version

THE SACRAMENT OF CONFIRMATION (Code of Canon Law)

Para. 879 The sacrament of confirmation strengthens the baptized and obliges them more firmly to be witnesses of Christ by word and deed and to spread and defend the faith. It imprints a character, enriches by the gift of the Holy Spirit the baptized continuing on the path of Christian initiation, and binds them more perfectly to the Church.

Diocesan Requirements for the Confirmandi

Every baptized person not yet confirmed can and should receive the sacrament of Confirmation (CIC can. 889.1).

The faithful are obliged to receive this sacrament at the appropriate time (CIC can. 890). In the diocese of Wichita the sacrament of Confirmation should ordinarily take place within the first two years of high school education.

Candidates must complete a program of catechetical preparation to the pastor's satisfaction.

Candidates should be well instructed on the meaning and purpose of the Sacraments, especially Confirmation and its relation to Baptism and the Eucharist. They should also know the importance of the Sacrament of Reconciliation.

To be licit (outside danger of death) it is required that candidates for Confirmation be suitably instructed, properly disposed and able to renew one's baptismal promises (if the person has use of reason) (CIC can. 889.2).

Candidates may choose a Confirmation name. They may use their baptismal name, emphasizing the connection between the sacraments of Baptism and Confirmation, or they may choose the name of a saint whom they desire to imitate or to whom they are especially devoted. Candidates should write a letter to the pastor requesting the reception of the sacrament of Confirmation. Pastors are invited to meet with candidates prior to Confirmation, reviewing this letter.
