Heaven

God gives us the gift of freewill. We are able to choose between alternatives. God wants us to choose heaven as our eternal home, but He wants us to choose it without compulsion or coercion. He wants us to choose for Him. The man who chooses heaven must choose the means for going there. By appointing mortal men to bring the news of salvation, the news of heaven, and the means of getting there to all of us, Christ has given us the chance of exercising our freewill and therefore of meriting heaven. Refusal to accept would hardly be possible if Christ informed us miraculously or taught us in person. This is why he commissioned His disciples to spread the message of eternal life which he carefully taught them. Christ leaves the choice to us and gives us every means of obtaining our goal. We must gear all our efforts toward eternal salvation!

In Christ,
Fr. Jeff Fasching
