**Totus Tuus 2019 is a wrap!!**

We had 20 attendees for the day session (grades 1-6) and 10 for the evening session (grades 7-12); it was a very good turnout for Sacred Heart!! Thanks to all who: hosted the Team for an evening meal, provided noon lunches for the Team, donated snacks for the week, helped in the kitchen throughout the week, or offered prayers for our Sacred Heart youth and the Totus Tuus Team.

Thanks, also, to John and Ruthe Spexarth (gals) and Mike and Marla Porch (guys) for housing the Team for the entire week. We are appreciative to Alan Weber and D'A ngelo's Pizzeria for donating pizza for the upper grades' as well as the lower grades' final sessions; that was a big hit with the kids!! And a SPECIAL THANKS to the anonymous parishioner for paying the entire cost of Totus Tuus at Sacred Heart; we are truly grateful!!! Totus Tuus, Mama Maria!!

Joann Bergkamp, Parish Coordinator for Totus Tuus.

**Cont...**

It is a direct assault on Catholic Theology to believe all men should be treated the same regardless of their choices. Just as there is a gradation in prayer, a gradation in creation, and a gradation in the hierarchy of the Church, there is a gradation in the degrees of glory souls possess once they are in heaven. It all depends upon how well they cooperated with grace in this life. This is why some saints enjoy greater glory than others.

Socialism attempts to disrupt the natural order for one purpose only-so that the supernatural order will be obscured.

Socialism is Satanic. "God will repay each one according to his deeds" (Rom. 2:6). Some will go to heaven, many will not...

In Christ,  
 Fr. Jeff Fasching

### The Evil of Socialism

The Catholic Church has condemned socialism ever since it began to emerge over a century ago. Why? Socialism pretends we are all equal. Socialism pretends that we can somehow treat everybody the same. These things are impossible in the world in which we live. Socialism is a lie. While it certainly is true that everyone is the same with respect to their human dignity as creatures of God, sameness or equality exists nowhere else in socialism.

We all have varying degrees of intellect, ambition, physical strength, etc. We each have our unique physical appearance. There is little we can point to where people are the same and nothing we can single out that says everybody must be treated the same.

Socialism says everybody has a right to a job, to earn his own living and to own private property. Some socialists even say people who choose not to work are entitled to pay as well. People with no initiative, people who are incompetent, people who cannot show up on time do not have a right to a job. Each person should certainly have the opportunity for a job, but not everyone has the right to a job. It all depends upon an individual's ability and choices. What separates one person from another are the choices we make.

Fairness and equality are two different things. Socialists argue they are the same and call this justice. Fairness means equal opportunity. After that, everything depends upon the choices we make. On Judgement Day, everyone will not be admitted into Heaven. Each person will be given his due according to how he chose to live his life here on earth. Obviously, everyone will not be treated the same and everyone will not receive the same outcome. Cont inside...
