### Total Consecration to Jesus through Mary

Total Consecration to Jesus is an absolutely beautiful exercise to increase your spirituality and ability to truly serve our Lord Jesus Christ. The basic premise set forth by St. Louis Marie de Montfort is simply that Jesus came into the world through Mary and that for us to always be assured of being close to Jesus, even closer than ever before, we should go through Mary.

Consecration means to set aside for a sacred purpose. Mary's life was set aside for the sole purpose of serving our Lord. By following her example, we, too, can completely give ourselves to Christ in a fundamental way that consecrates us to Him. We give our lives to Him in service and love.

Consecration to Jesus through Mary according to the method of St. Louis de Montfort is a method used by Pope John Paul II and it is this consecration that led to the founding of Rosary Army in 2003.

We consecrate ourselves in order to be more devoted to the Lord and His Blessed Mother. It helps us grow in holiness and increase our faith, hope, and love. It is a prayerful and focused method of drawing closer to Jesus than ever before.

My Queen and my Mother, I give myself entirely to you; and to show my devotion to you, I consecrate to you this day my eyes, my ears, my mouth, my heart, my whole being without reserve. Wherefore, good Mother, as I am your own, keep me, guard me, as your property and possession. Amen.
