The Baptism of Our Lord

The Solemnity of the Baptism of Our Lord brings an end to the Christmas season. Christ went down into the Jordan River to sanctify the waters and give them the power to beget sons of God. This event calls to mind Christ's second manifestation. When we ponder this great event we should ask God to allow His transforming power always to work in our human hearts.

The Holy Spirit descended upon Christ in the same way we received the Divine indwelling at our own baptism. God the Father proclaimed Christ His "beloved Son." When we were baptized we became children of God and His adopted sons. At Christ's baptism the heavens were opened. Similarly, at our own baptism we were given access to heaven!

All these wonderful effects are bestowed upon us by God's free gift of baptism. This day is a reminder of the gratitude we owe God and the love He bestows upon us through His Son!

In Christ,
Fr. Jeff Fasching
