### The Holy Rosary

“Through the Rosary the faithful receive abundant grace, as by the hands of the Mother of the Redeemer” (Saint John Paul II). On May 3, 2008, Pope Benedict XVI stated that the Rosary was experiencing a new springtime: “It is one of the most eloquent signs of love that the young generation nourish for Jesus and His Mother.”

Devotion to the rosary is one of the most common practices of popular Catholic spirituality. Saint John Paul II said of the rosary: “it is among the finest and most praiseworthy traditions of Christian contemplation.” The rosary is a great help in the midst of the many trials, temptations and hardships of life. It is also a great weapon in our daily battle against evil in the world.

Praying the rosary should be done with focus, respect, reverence and purity of intention. It is so much more than simply rattling of Our Father's and Hail Mary's. When prayed correctly, the rosary leads the soul very quickly into meditation and contemplation.

There is nothing more pleasing to Christ than meditating upon the mysteries of His life while pleading for the intercession of His Holy Mother on our behalf. Pray the Rosary! St. Maximilian Kolbe said: “So many Rosaries means so many souls saved!”

In Christ,  
Fr. Jeff Fasching
