## A Consistent Ethic of Life

"A wide spectrum of issues touches on the protection of human life and the promotion of human dignity. As Pope John Paul II has reminded us: "Where life is involved, the service of charity must be profoundly consistent. It cannot tolerate bias and discrimination, for human life is sacred and inviolable at every stage and in every situation; it is an indivisible good" (The Gospel of Life, no. 87).

"Among important issues involving the dignity of human life with which the Church is concerned, abortion necessarily plays a central role. Abortion, the direct killing of an innocent human being, is always gravely immoral (The Gospel of Life, no. 57); its victims are the most vulnerable and defenseless members of the human family. It is imperative that those who are called to serve the least among us give urgent attention and priority to this issue of justice" (2001: US Bishops' Pastoral Plan for Pro-life Activities: A Campaign in Support of Life).
