Resuming the Holy Sacrifice of the Mass Publicly

May 1, 2020

Feast of Saint Joseph the Worker

Dear parishioners,

As you know, Governor Laura Kelly has announced her plans to allow many Kansas businesses to reopen next week while maintaining social distancing. Her plan is to lift all state limits on mass gatherings and other restrictions by June 15, 2020. The governor broke down her plan in three phases, including a “phase out” stage that will hopefully take effect by mid-June.

Bishop Kemme has anticipated yesterday's announcement and is currently drafting strict guidelines for resuming the Holy Sacrifice of the Mass publicly. Pastors throughout the diocese, including myself, eagerly await receiving these guidelines and expect to hear from the Bishop any day now. As soon as we receive them we hope to be able to resume with public Masses. However, please anticipate the Holy Sacrifice of the Mass to be an experience quite different than what you are used to for some time in light of the restrictions we will be bound to adhere to.

Please continue to pray for these efforts, for your fellow parishioners, for the bishops and priests, as well as all victims of the Wuhan Chinese virus.

In Christ,
Fr. Fasching

Message from the Office of Faith Formation

In spite of the last six weeks, we never would have imagined that we would have to come to this point as we look forward to the summer. Totus Tuus has maintained a prominent presence in the schedules of many parishes and in the lives of young people for over 30 years in the Diocese of Wichita. Prayer & Action has been transformative in communities, missionaries, and young people for nearly a decade. Every year, we try to improve both of these programs. The amount of thought, energy, and intention we put into every detail of Totus Tuus and Prayer & Action is something we pride our ministry on, and as the result of these things, **we recently arrived at the extremely difficult decision to cancel both Totus Tuus (parish and camp) and Prayer & Action for the summer of 2020.**

As we have gathered feedback from parents, youth ministers, pastors, health officials, chancery officials, and government officials both local and national, we concluded that there is no way we can host these programs with the current conditions of the nation and the Church.

As much as we hated to have to make this decision, we think it is the most prudent decision as we keep in mind the well-being and safety of all of the children, their families, and the missionaries. **Over the next six weeks, we will process full refunds to all parishes and individuals who have registered for these programs.** Please be patient with us as this will take us some time to do. Thank you for your understanding and your support.
