Prayer

We must constantly strive to be better “prayers”. Rededicate your life to prayer. Make it the first priority in your life. If you do this Christ will help you accomplish absolutely anything. We are creatures of God. He made us out of nothing. As His creatures our first duty toward him is to pray. How is your prayer life? Does your day revolve around your relationship with God, or the world? If you want to set the tone for the day; if you want to control the day and do not wish the day to control you, then pray.

Here at Sacred Heart we have a beautiful Church dedicated to God, prayer and worship. How often do you visit Christ in the Blessed Sacrament? This space has been set apart for a single purpose-to worship and offer sacrifice! God wants to transform your life, but you must first show Him you want it done by truly placing Him first. If you are not in the habit of doing this, now is the best time to start. Don't put it off. Pray, pray, pray...

In Christ,
Fr. Jeff Fasching
