Constitutional Amendment Petition

On April 26th, 2019, the Kansas Supreme Court created a nearly unlimited "right" to abortion in the 1859 Kansas Constitution and continued to allow the live dismemberment of unborn children in our state. Kansans have lost the right to ban even the most horrific practices like partial-birth and taxpayer-funded abortions. Countless mothers and their preborn babies are at risk. Therefore, we urge you to sign the following petition calling for the Kansans Legislature to pass an amendment to the Kansas Constitution that reverses the Court's ruling and declares there is no unlimited "right" to abortion in our state. If approved by the legislature, the Amendment will be subject to a public vote at a scheduled election. You can also sign online at www.kfl.org.

The End

Part of being prepared spiritually means that we are willing and able to stand up for our God-given faith. We should even be willing to die for our faith. We should ask ourselves what kind of people are we? What is it, if anything, that we believe in? What are we willing to stand up for? Is there anything in our lives we believe in enough that we would be willing to die for?

The Scriptures tell us that the end days of the world are coming very soon. This means we must be ready to die right now! We must be ready this very moment. We do not have time to waste so we must repent from sin. Now is the day of salvation.

One of Satan's oldest tricks is making us believe that there is always tomorrow. We simply cannot live with that kind of attitude. We cannot presume upon the mercy of God. Mercy is something we only receive after we truly repent! We must continue to pray for repentance and conversion. We must take the steps necessary now to remove any obstacles that stand in the way of us and Our Lord.

In Christ,
 Fr. Jeff Fasching
