Constitutional Amendment Petition

On April 26th, 2019, the Kansas Supreme Court created a nearly unlimited "right" to abortion in the 1859 Kansas Constitution and continued to allow the live dismemberment of unborn children in our state. Kansans have lost the right to ban even the most horrific practices like partial-birth and taxpayer-funded abortions. Countless mothers and their preborn babies are at risk. Therefore, we urge you to sign the following petition calling for the Kansans Legislature to pass an amendment to the Kansas Constitution that reverses the Court's ruling and declares there is no unlimited "right" to abortion in our state. If approved by the legislature, the Amendment will be subject to a public vote at a scheduled election. You can also sign online at www.kfl.org.

Prayer

In the Gospel Our Lord reminds His Apostles about the necessity of praying without ceasing. Jesus Himself habitually went off alone to deserted places to spend time in prayer with God His Father. As God's creatures, prayer for us is a must. Prayer is a duty we owe God. Prayer is the most basic way we become united to God in heart and mind. Since Christ has taught us that the greatest commandment is to love God with one's whole heart, mind and soul, we must realize it is impossible to do this without formal prayer on a regular basis. Moreover, if we expect to fulfill the second commandment of loving our neighbor as ourselves, we must first be rooted in God through prayer. How can we love our neighbor whom we see right in front of our eyes if we first do not love the God of all whom we see with the eyes of faith? Take a deep breath, look up to heaven, call to mind God's presence constantly throughout your day and then you will be praying unceasingly!

In Christ,
 Fr. Jeff Fasching
